COMMUNITY RESILIENCE INITIATIVES ACCESSING HEALTHY FOODS

GOAL:

The Colorado Trust is seeking to increase access to nutritious and affordable food for those who face barriers to living a long and healthy life. The purpose of this initiative is to fund entities that support expanded access to nutritious food, as well as activities that promote healthy eating. With this initiative, The Colorado Trust aims to achieve its goals in the focus area of food, as outlined in The Trust's 2024-26 Strategic Plan.

OBJECTIVES:

1
Increase access
to nutritious food

2
Increase economic stability
for those experiencing
food insecurity

3
Promote
healthy eating
